

Help Our Community Grow

BECOME A PROJECT PETUNIA SPONSOR

The Fort Frances Chamber of Commerce is celebrating 100 years as the Voice of Business in 2009 and in celebration will be adding flower baskets to the already 60 hanging baskets and 20 planters of Project Petunia!

The continuation of Project Petunia is due in part to the generous sponsorship received from the Town of Fort Frances, Lowey's Greenhouse and from you, the general public and business community. We do need your support in order to continue and to maintain this rewarding community project. For your contribution of \$50, you will be listed as a flower project sponsor and be part of beautifying this great community we call home!

Businesses, clubs, organizations, and area residents can sponsor one or more baskets and each will receive a separate listing. Use your sponsorship as a gift for that hard to buy for person, in memoriam of a loved one, a Mother's Day gift, or to contribute to the overall beauty of our great community!

ALL SPONSORS WILL BE RECOGNIZED FOR THEIR DONATION

Sponsorship covers the overall cost of the project including baskets, planters, flowers, and maintenance and storage; not an individual basket.
