

Chamber Minute

February 2007

Christine Denby

Greetings from the Fort Frances Chamber of Commerce. I'm President Christine Denby and this is a Chamber Minute sponsored by B93 FM.

The Chamber continues to work hard to serve our membership, endeavoring to improve the economic, civic and social well being of the district.

As the voice of business, we continue to grow stronger, respond to new challenges, and provide the leadership we know our members expect. Our attention this year will be focused on Community Leadership, Communications, Membership Growth & Retention, Fiscal Responsibility, Partnership and the development of a Strategic Plan.

2007 got off to a great start with our first Business After Hours of the year held at Plaza Lanes bowling alley. A great time was had by all. Thank you to those who attended and to our event sponsors. We look forward to seeing everyone at our next Business After Hours planned for the end of March, for more great company, food and fun!

The Business Retention & Expansion Project is well under way, with full support from our community partners. Watch for Community Development Officer Kerri Dittaro, who may be knocking on your door in the near future with information on this project.

And as we hit the mid winter mark, we look toward our annual Home and Leisure Show, scheduled for April 27 & 28th, which promises to be bigger and better than ever.

For more information on these and other Chamber projects, contact Dawn Booth, Chamber manager at 274-5773 or check our web site www.fortfranceschamber.com
