

Greetings from the Fort Frances Chamber of Commerce. I'm Vice President Christine Denby and this is a Chamber Minute sponsored by B93 fm.

The Chamber has worked hard to serve our membership, endeavouring to improve the economic, civic and social well being of our district.

Summer saw Project Petunia grow to an amazing 82 flower baskets and planters. In July, the ever popular Quest for the Best was held once again seeing a record crowd in attendance. In August, the Chamber hosted a Business After Hours at the Kitchen Creek Golf Club.

September and October were busy with the planning and hosting of the Municipal All-Candidates Debate and our 11th Annual Business Awards Banquet.

And coming up, all Chamber members and interested businesses are invited to attend our Fall General Membership Meeting slated for Tuesday, November

28th at The Harbourage Restaurant.

For more information on this and other projects and events, please call Dawn at the Chamber or check our website at
